Students will remain at school each orientation day until 12.30. Parents will pick their child up from the same place they dropped them off, near the admin building.

Please send your child with a packed lunch, fruit snack, water bottle, and a wide brimmed hat.

Parents are welcome attend an information session at the hall from 9.45-11.00. Where you will be able to ask questions and find out about how we will support your child in beginning the transition to big school. This will be the only information session offered during Orientation, this is due to staff needing to observe and support your child. There will be further opportunities at the beginning of 2020 to develop our school/ parent relationship.
