TERM 2 WEEK 6

TUES 4TH JUNE

PRINCIPALS MESSAGE

Tyalgum Camp

Congratulations to all our Year 5 students who attended the camp at Tyalgum last week. Our students participated in activities enthusiastically and accepted personal challenges to move out of their comfort zones. Staff were proud of the way our students conducted themselves, they were respectful to staff and each other. A huge thanks to all CPS staff who attended - this is another example of CPS staff going above and beyond to support our students to excel!

Aboriginal Dance Group Performance

Our Aboriginal Dance Group performed at St Michael's Aged Care last week as part of Reconciliation Week activities. Our dancers performed beautifully and were positively received and encouraged by the residents. Thanks to Miss Tiff, Vann, Ms Kroehnert and Mrs King for rehearsing and preparing the dancers for the performance. It was amazing to see our students perform confidently and be so proud of themselves and their culture! Students Proud and Strong at CPS!

Parent Information Session- Home Reading

Thanks to all parents who were able to attend this session last Friday. Our school is working hard to develop strong partnerships with families to support positive learning growth for all students. The session provided current, practical tips to support reading at home. Thanks to the team of staff who presented at the session. There are several ways that we provide information for parents about student learning and provide tips to use at home including Curriculum Snippets in the newsletter, parent information sessions and parent teacher interviews. If you would like ideas on how to support your child's learning at home please contact your child's teacher and arrange a time for a chat.

This weekend is The King's birthday long weekend and Casino Public School will be closed on Monday 10th June. I hope you all enjoy the extra break and I look forward to welcoming you all back on Tuesday!

Have a fabulous week everyone!

Positive Behaviour for Learning (PBL) Focus

Doing the four following instructions! This week our PBL lessons will focus on doing the 4 by being respectful by showing different teacher, same respect.

We will learn to:

- Do the four' correctly in a range of settings
- 'Do the four' by showing different teacher, same respect and what that looks like.
- Focus upon improvement in one class area of the week
- Implementing lesson breaks to improve focus

SPORT REPORT

Cross Country

Last Friday 28 students from Casino Public School travelled to Corndale to compete in the Zone Cross Country. The students represented our school and community with great athleticism and sportsmanship throughout the day. The overnight rain created some fun obstacles for students, many reporting back with smiles and covered in mud! It was great to see so many parents come along on the day to support and cheer on our CPS kids. Congratulations to all our competitors in what was an entertaining and enjoyable day.

School Sport - Stage 1

In PE and Sport this term students in Year 1 and 2 are learning and refining their athletics skills. They will be participating in long jump, high jump, discus, shot put, ball skills and sprints. Here are some photos of the students enjoying their athletics lessons last week.

What's Happening In our classrooms

Curriculum Bites

Writing is an extremely hard skill to learn, let alone master! There are a lot of components that need to be explicitly taught before children can compose a story or piece of writing independently. Children need to know how to hear the sounds and how to write the *graphemes* or *letters*. They need to know how break apart a *word* and stick or blend the sounds together to write a word. Then how words go together to make a *sentence* and how multiple sentences can make a *paragraph*. Once they have these skills then the craft of writing can all come together!

What's Happening in our Community

Jumbunna Community Preschool & Early Intervention Centre

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you.

The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.
